Latest News
Runway Project Updates
Our **Travel Project** is heading into a busy month in June with the enthusiastic response to the launch of the Swedish market, they plan to continue their success and aim to reach more customers for the coming 2013-2014 trips to Turkey.
Norwegian Air Introduces Our Kiev office
Our office in Kiev is located in a modern and newly built office building on the left bank of the river Dnieper in the district of Darnytsya. It was first mentioned in written work around the year 1509. The modern Darnytskyi Raion was founded in April of 1935.
On 29th of April, eight Runway employees started training in our new office in Kiev (Ukraine). After one week training in the booking department, 5 of them will continue with training on e-locking.
On 13 of May will start Norwegian Language Courses for 10 future Norwegian Air employees. At the moment we are in process of selecting right candidates.
In Norwegian Air project, we are recruiting heavily in all offices for the upcoming busy summer season. **16.05.2013**

Work For Us!
Whether you are looking for a part-time job as a student or for a full-time position, Runway offers the environment to grow.
About Us
Runway International delivers high-quality, outsourced contact centre services for multinational companies seeking to serve the Northern American, Russian and European markets.
If you are looking for a contact centre solution providing your customers with a personal service based on your values, you have come to the right place. Through our technology, dedication and high-quality service we will bring your customers closer to you!

Introducing our Malaga office
The office was opened in October 2012 with Norwegian/Swedish speaking agents providing services for our Norwegian air client. Our office is located in Benalmádena which is a town and municipality in the province of Málaga, part of the autonomous community of Andalusia in southern Spain. The municipality is situated approximately 12 kilometers to the west of the city of Málaga.
